LEVEL 3 AWARD IN AMBULANCE PATIENT CARE: NON- URGENT CARE SERVICES

Level: 3

Credits: 10

Age: 18+, 19+

TQT: 100
GL: 70

Qualification Overview

The Level 3 Award in Ambulance Patient Care: Non-Urgent Care Services covers the national patient care support services scope of practice that is required in the role of ambulance patient care support attendants or assistants. Learners will be responsible for the transportation and care of patients with varying needs including looking after the disabled, elderly, sick and vulnerable people to and from outpatient clinics, day care centres and routine hospital admissions and discharges. Learners will be responsible for the care of patients on the journey and while they are transferred to and from the vehicle.

This qualification is a combination of full-time education, with formative and summative assessment and consolidation in the real work environment.

Qualification Structure

To achieve the Level 3 Award in Ambulance Patient Care: Non-Urgent Care Services, learners must complete a minimum of 7 mandatory components. Learners may choose further components from the additional components group, but these are not required to complete the qualification.

Qualification Documents

A Qualification Specification and Evidence Logbook is available to centres from our website www.futurequals.com. However, specifications with indicative content or other guidance will be provided to centres upon learner registration.

Progression Opportunities

Progression to higher level ambulance service qualifications such as urgent and emergency care and the associate ambulance practitioner role is supported. The full use of RPL is encouraged using skills, knowledge and subsequent experience of the role mapped directly to scope of practice.
