The Head of Centre (and staff authorised by the HoC) at Centres approved to deliver this qualification will be provided with access to a SharePoint folder containing the full qualification specification, the Evidence Log, the Learner Workbook, and any learning resources.

Please note, a mark and grade will not be produced for sample assessments, and the assessment result has no impact on the Learner's final grade.

Learner Requirements and Information

Entry Requirements

Learners must:

- be 18 years of age (or older) on the first day of teaching.
- possess the right values, behaviours, and attributes appropriate to the role.
- not have any outstanding court cases, prosecutions or pending disciplinary action in any area being brought against them.
- hold a valid full driving license for the class of vehicle being driven for the full duration of the qualification.

In cases where Learners hold a non-UK-issued full driving licence, Centres are responsible for undertaking their own due diligence to ensure that the Learner meets all requirements of current UK legislation.

The Centre is responsible for ensuring that no Learner is accepted on the programme where it is evident the validity period of their full driving licence and/or the validity of the class of vehicle will not expand the full duration of their qualification. Should a Learner's driving licence expire, for whatever reason, the Learner must be placed on a break until such time their driving licence permits them to continue. The qualification must still, however, be completed within the qualification registration period or the Learner withdrawn until such time they can meet the required standards.

There are no formal qualification entry requirements that Learners must complete prior to completing the qualification. Learners will, however, need to have minimum core skills in literacy, numeracy, and ICT to successfully complete the qualification. Initial assessment of minimum core skills may be carried out for all Learners commencing the qualification.

Please note, throughout the delivery of this qualification, Learners may also be referred to as 'Trainees'.

Medical Requirements

Centres are responsible for checking whether Learners have any medical conditions that could have an impact on their ability to drive safely under emergency response conditions. Where there is any doubt, the Centre must seek further advice from the DVLA before any registration or teaching takes place. Learners should not be accepted on any DERADI pathway if they do not meet the Class 2 DVLA medical standards.

Ongoing Requirements

Throughout the qualification, Learners must always act in a professional manner, in accordance with agreed ways of working. Negative attitudes, values and behaviours will not be tolerated and could lead to suspension or withdrawal of registration. Learners must also notify their Tutor/Assessor immediately of any disciplinary actions, outstanding court cases or prosecutions. The Centre must then notify FutureQuals with immediate effect.

Reasonable Adjustments and Special Considerations

We are committed to improving access for Learners with disabilities and other difficulties, without compromising assessment.

Further details are provided in the *Reasonable Adjustments and Special Considerations Policy*, which can be found on the FutureQuals website.

Identification Requirements

It is the Centre's responsibility to confirm the identity of a Learner as part of its registration process, and for any online assessments.

The following are acceptable examples of proof of a Learner's identity:

- a valid passport (any nationality)
- a national identity card issued by an EU country
- a Gibraltar identity card
- a signed UK photocard driving licence
- a valid warrant card issued by HM Forces or the Police
- other photographic ID card, e.g., employee ID card (must be current employer), student ID card or a travel card

Learner Authenticity

It is a regulatory requirement that assessment evidence is authenticated as the work of the named Learner. Therefore, FutureQuals require that a declaration of authenticity is signed by the Learner for each assessment submitted (this includes e-portfolio systems). If an assessment is conducted online through the XAMS Platform, Learners will also be asked to declare that the assessment attempt is their own.

If a Centre uses their own pre-approved version of a FutureQuals Evidence Log, the same information must be captured as in the FutureQuals-issued Evidence Log, i.e., the assessment method, evidence reference, the Assessor's decision (including the signature and date to evidence completion of assessment) and the Learner's declaration of authenticity. The Learner must sign and date the declaration.

Recognition of Prior Learning (RPL)

RPL is not permitted for this qualification.

Requalification

Once awarded, the **FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF)** certificate does not expire. However, it is a CPD requirement of the qualification that Learners complete refresher training in line with government guidance, in order to continue in a role involving non-emergency ambulance vehicle driving. Attainment and evidencing of CPD is the responsibility of the Learner and their employer. Evidence of CPD does not need to be provided to FutureQuals, unless requested.

Progression Opportunities

The **FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF)** can support progression to the following qualification:

- FAQ Level 3 Certificate in Emergency Response Ambulance Driving (RQF) (CERAD™)

The **FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF)** can support progression into the following job role:

- Ambulance support worker

Centre Requirements and Information

Qualification Delivery Requirements

Resources: Centres must have in place vehicles of appropriate performance and capability which must also meet the requirements as set out in the most current version of the Road Traffic Regulations.

Learner Ratios: The ratio of Learners to Assessors during all driving practical elements must not exceed 3:1, with one Learner driving the vehicle and the other two Learners observing.

Guided Learning Hours in Blocks/Modules: Where training is provided in blocks/modules, these should be no less than 15 hours in total over two days.

Teaching Hours: The teaching requirements for this qualification are based on a 37.5-hour teaching week.

Assessment: Assessment must be carried out as outlined in the Qualification Assessment section of this specification.

Workforce Requirements

In order to deliver, assess and quality assure the **FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF)**, Centres must first have applied for, and received, approval to offer the qualification.

Centres must have in place appropriately experienced and qualified staff. This includes Tutors, Assessors, Invigilators, and Internal Quality Assurers (IQAs). All workforce requirements can be found in *Appendix 1 - FutureQuals Non-Emergency Ambulance Driving Assessment Principles*.

FutureQuals take the protection of data seriously. Please see our *Data Protection Policy* which complies with the current legislation on data protection and can be found on our website.

Conflict of Interest

For details regarding conflict of interests, see the FutureQuals *Conflict of Interest Policy*, which can be found on our website.

Appeals

Approved Centres must have an appeals policy in place to support and manage Learners who wish to appeal against their assessment decisions. Appeals may relate to assessment decisions being incorrect or assessment not being conducted fairly.

If Learners remain dissatisfied with the outcomes following the completion of the Centre's appeals procedure, they should contact FutureQuals directly.

Feedback

Your feedback is very important to us. We're always open to suggestions for enhancing and improving our services, products and systems.

Appendix 1 - FutureQuals Non-Emergency Ambulance Driving Assessment Principles

v1.0 February 2024

The *FutureQuals Non-Emergency Response Ambulance Driving Assessment Principles* are designed to ensure a consistent approach to the elements of assessment requiring further interpretation or definition.

The assessment principles apply to the Components that assess occupational knowledge and occupational competence in the **FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF)**.

1. These assessment principles must be applied in addition to the generic criteria and regulations outlined in the *FutureQuals Assessment Principles*.
2. To ensure there is appropriate support for, and monitoring of, Learners during practical sessions, Component 2 must be delivered in line with the requirements as set out in the Component 2 specification.
3. The assessment methods required for both knowledge-based and competency-based criteria are listed in the relevant Components specification. Where assessments have been externally set by FutureQuals, these must be used. Where evidence-collection tools have been provided by FutureQuals, these must be used, unless prior permission to use an alternative evidence-collection tool has been granted.
4. All formal assessment, both internally and externally set, of Learner performance contributing to the achievement of this qualification must comply with the conditions set out in the *FutureQuals Instructions for Conducting Controlled Assessments*.
5. It is a requirement for the Learner to be aware that assessment is taking place.
6. Competency-based assessment must take place in a real-life working environment. The use of simulation is only permitted when undertaking reversing manoeuvres where exact facilities cannot be utilised safely.
7. All assessment for Component 2 must be carried out in the vehicle type the Learner is licensed to drive and has undertaken their training in.
8. Assessment decisions must be made by a currently, and occupationally, competent Assessor (defined below).
9. Expert witnesses are not permitted for this qualification.

10. The details of the requirements of Tutors and Assessors are set out separately. It is accepted, though, that both roles may be performed by the same person, providing the qualifications and experience requirements for both roles are met. However, the Final Independent Driving Assessment must be conducted by an Independent Assessor (Final Examiner).
11. FutureQuals maintains a register of all approved Tutors, Assessors, IQAs and other key workforce personnel involved in the delivery of our qualifications. We reserve the right to suspend or remove Tutors, Assessors, IQAs or other approved workforce personnel from our Approved Workforce Register should their status change or information be brought to our attention that confirms they no longer meet the conditions below. This means they may be temporarily or permanently unable to be involved in the delivery or quality assurance of this, and other FutureQuals qualifications.

Tutor Requirements

1. Tutors must be currently occupationally competent and hold as a minimum the Level 3 Award in Education and Training or equivalent or above. Tutors not currently qualified must be registered and actively working towards a teaching qualification or acceptable equivalent as listed in the assessment principles below and be mentored by a suitably qualified Tutor. Tutors working towards their teaching qualification must achieve this within two years.
2. Occupational competence can be evidenced by Tutors holding one of the following:
 - Approved Driving Instructor (ADI) + Fleet
 - Approved Driving Instructor (ADI) + ROSPA Gold or higher
 - Approved Driving Instructor (ADI) + IAM
 - Approved Driving Instructor (ADI) + J/615/1158 Routine Ambulance Demonstration Driving (Component 1 of L4DERADI®)
 - Occupationally competent in driving a Passenger Carrying Vehicle (PCV)
 - Or one of the recognised legacy qualifications.

For any training that takes place in a Class 2 vehicle, the Tutor must have held a Category B full licence for three years or more and ADI.

3. Tutors must have the legal right to teach the FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF) and possess the appropriate values, behaviours and attributes relevant to the qualification.
4. Tutors must not have any outstanding court cases, prosecutions or pending disciplinary action in any area being brought against them.
5. Tutors not currently qualified must be registered and actively working towards a teaching qualification or acceptable equivalent as listed in the assessment principles and be mentored by a suitably qualified tutor. Tutors working towards their teaching qualification must achieve this within two years.

Assessor Requirements

1. All assessments must be carried out, unless otherwise specified, by a currently occupationally competent Assessor who is qualified to make assessment decisions.
2. Assessors must hold a recognised assessor qualification. This should be the Level 3 Award in Assessing Competence in the Work Environment or higher. Assessors holding the A1 or D32/33 legacy qualifications are not required to re-qualify. (Applicants can be accepted as a minimum being registered and actively working towards. It is expected that registered learners are fully qualified within 2 years.)
3. In addition, Assessors must also have the required full licence type/ADI to deliver/assess the FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF).
4. Assessors must have the legal right to assess the FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF) and possess the appropriate values, behaviours and attributes relevant to the qualification.
5. Assessors must not have any outstanding court cases, prosecutions or pending disciplinary action in any area being brought against them.
6. Trainee Assessors will need to have all of their assessment decisions countersigned by a fully qualified Assessor.

Independent Assessor (Final Examiner) Requirements

1. Independent Assessors are allocated by the Centre and must meet all the Independent Assessor requirements.
2. Independent Assessors must be currently occupationally competent and qualified to make assessment decisions.
3. In addition, Independent Assessors must also have the required full licence type/ADI to deliver/assess the FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF).
4. Independent Assessors must have the legal right to assess the FAQ Level 3 Award in Patient Care Services: Ambulance Driving (RQF) and possess the appropriate values, behaviours and attributes relevant to the qualification.
5. Independent Assessors must not have any outstanding court cases, prosecutions or pending disciplinary action in any area being brought against them.
6. The Independent Assessor must not have taught or assessed the Learner for any of the competence-based criteria, including the 25 guided learning hours requirement of practical training detailed in Component 2.

7. Trainee Assessors cannot perform the role of Independent Assessor, unless there is a fully qualified Staff Tutor/Assessor present in the vehicle during the Final Independent Driving Assessment who signs to confirm their presence and countersigns the assessment decision. The Staff Tutor/Assessor must also meet the Independent Assessor (Final Examiner) requirements for both the Learner and the Trainee Assessor.

Invigilator Requirements

1. Externally set, marked and quality-assured assessments must be invigilated by a suitably competent Invigilator.
2. Assessments taken under controlled assessment conditions must be invigilated by a suitably competent Invigilator.
3. Invigilators must appear on their Centre's skills matrix and have received standardisation training prior to any invigilation duties.
4. Invigilators must adhere to all requirements set out in the *FutureQuals Instructions for Conducting Controlled Assessments*.

Internal Quality Assurer (IQA) Requirements

1. Internal Quality Assurers (IQAs) must be currently occupationally competent.
2. IQAs must hold either the Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice, or the Level 4 Certificate in Leading the Internal Quality Assurance of Assessment Processes and Practice, depending on the role of the individual. IQAs holding the V1 or D34 legacy qualifications are not required to requalify (applicants can be accepted as a minimum being registered and actively working towards. It is expected that registered Learners are fully qualified within 2 years).
3. IQAs must not have any outstanding court cases, prosecutions or pending disciplinary action in any area being brought against them.
4. Trainee IQAs registered for, and actively working towards, a recognised internal quality assurance qualification can also meet the minimum IQA requirements, providing all other IQA requirements are met. However, internal quality assurance qualifications must be achieved within one year of registration and, during this time, trainee IQAs will need to have all their verification decisions countersigned by a currently occupationally competent, fully qualified IQA (as outlined above), approved by FutureQuals.

Acceptable Teaching/Training Qualifications

Please note:

While these lists serve as a guide to acceptable teaching and training qualifications, they are not exhaustive. For qualifications not included in the provided lists, Centres must conduct due diligence to substantiate their equivalence. The Centre's EQA(s) or FutureQuals may request records of this due diligence, which should encompass comprehensive evidence, including the qualification title, content, transcript covering relevant learning outcomes and criteria, and proof of successful achievement.
