Learner Requirements and Information

Entry Requirements

Learners must:

- be 18 years of age (or older) on the first day of teaching

There are no formal qualification entry requirements that Learners must complete prior to completing the qualification. Learners will, however, need to have minimum core skills in literacy, numeracy and ICT to successfully complete the qualification. Initial assessment of minimum core skills may be carried out for all Learners commencing the qualification.

Reasonable Adjustments and Special Considerations

We are committed to improving access for Learners with disabilities and other difficulties, without compromising assessment.

Further details are provided in the *Reasonable Adjustments and Special Considerations Policy*, which can be found on the FutureQuals website.

Identification Requirements

It is a Centre's responsibility to confirm the identity of a Learner as part of its registration process, and for any online assessments.

The following are acceptable examples of proof of a Learner's identity:

- a valid passport (any nationality)
- a national identity card issued by an EU country
- a Gibraltar identity card
- a signed UK photocard driving licence
- a valid warrant card issued by HM Forces or the Police
- other photographic ID card, e.g., employee ID card (must be current employer), student ID card or a travel card

Learner Authenticity

It is a regulatory requirement that assessment evidence is authenticated as the work of the named Learner. Therefore, FutureQuals requires that a declaration of authenticity is signed by the Learner for each assessment submitted (this includes e-portfolio systems). If an assessment is conducted online through the XAMS Platform, Learners will also be asked to declare that the assessment attempt is their own.

If a Centre uses their own pre-approved version of a FutureQuals evidence log, the same information must be captured as in the FutureQuals-issued evidence log, i.e., the assessment method, evidence reference, the Assessor's decision (including the signature and date to evidence completion of assessment) and the Learner's declaration of authenticity. The Learner must sign and date the declaration.

Recognition of Prior Learning (RPL)

RPL is a method of assessing and validating learning, achievement or credit that considers whether a Learner can demonstrate that they meet the assessment requirements for a Component. This may be through knowledge, understanding or skills they already possess.

Provided the assessment requirements of a given Component or qualification have been met, the use of RPL is acceptable for the achievement of a Component(s) or a whole qualification. For further information, Centres should refer to the *FutureQuals Recognition of Prior Learning Policy*, which can be found on the FutureQuals website.

Certificate Verification

All our paper certificates and e-certificates now contain a unique QR code, either printed or embedded.

The authenticity of a certificate can be securely verified using the FutureQuals Secure Online Verification Service, which can be accessed via our website or by following this direct link:

<https://qmis.futurequals.com/Certification/CertificateValidator/FindCertificateToValidate>

Requalification

Once awarded, the **FAQ Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice** certificate does not have a specific period of validity. However, as an evolving subject area, periodically retaking the qualification will help to ensure that individuals are working with the most up-to-date information.

Progression Opportunities

This qualification can support progression to the FAQ Level 4 Certificate in Leading the Internal Quality Assurance of Assessment Processes and Practice.

Centre Requirements and Information

Legal Requirements

Approved Centres are responsible for ensuring that:

- the learning environment is safe for all Learners; risk assessments are in place and that health and safety is responsibly managed
- all aspects of GDPR are met
- Learners are able to progress in a respectful environment, free from bullying and harassment
- all safeguarding requirements are met
- all Learners are told how to find and use their Centre's safeguarding, data protection, equality and diversity and appeals policies/processes/procedures.

Workforce Requirements

In order to deliver, assess and quality assure the **FAQ Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice**, Centres must first have applied for, and received, approval to offer the qualification.

Centres must have in place appropriately experienced and qualified staff. This includes Tutors, Assessors, Invigilators and Internal Quality Assurers (IQAs). All workforce requirements can be found in [The Education and Training Foundation Qualification Guidance](#).

Component Specifications – Mandatory Components

Component 1: Understanding the Principles and Practices of Internally Assuring the Quality of Assessment

Component Reference Number: T/601/5320

Component 2: Internally Assure the Quality of Assessment

Component Reference Number: A/601/5321

Credit Value: 6

GL: 45 hours

Level: 4

Component Summary

The purpose of this Component is to assess a Learner IQA's competence in assuring the quality of assessment from within an assessment centre or organisation.

Relationship to Apprenticeship Standards/Certificate/National Occupational Standards

Learning and Development NOS Standard 11: Internally monitor and maintain the quality of assessment.

Assessment Guidance

This Component is internally assessed and internally quality assured by Centre staff and externally quality assured by FutureQuals External Quality Advisors (EQAs).

Evidence for all learning outcomes must come from performance in the work environment. All learning outcomes in this unit must be assessed using methods appropriate to the Learner IQA's performance.

These must include:

- Observation of performance
- Examining products of work
- Questioning

Direct evidence of this kind may be supplemented, where necessary, by discussion, reflective accounts or witness testimony. Simulations are not allowed.

In gathering evidence, an unqualified Trainee IQA is not allowed to internally quality assure the work of another unqualified IQA. Primary evidence for the learning outcomes and assessment criteria must come from the Learner monitoring and quality assuring the work of two Assessors, each with a minimum of two Learners of their own through components of a qualification.

There must be valid, authentic and sufficient evidence for all the assessment criteria. However, one piece of evidence may be used to meet the requirements of more than one learning outcome or assessment criterion.
