Guidance for applicants

The Certificate which Future (Awards and Qualifications) issues as proof of the conferment of an award is unique and valuable document which should be carefully preserved by its recipient. The certificate is the property of the awarding organisation. Under no circumstances will Future issue additional copies or duplicates to any applicant holding an original certificate.

The loss or destruction of a certificate is a serious matter and a replacement will only be issued at the discretion of Future. Future will consider each applicant and may decide either to issue a letter confirming the original award or replacement certificate. Replacements have precisely the same standing as the original. Future reserves the right to not issue a replacement or to specify reasons for its decision.

Applications for the issue of a replacement certificate must be directed to the Centre Support Department of Future. It is essential that you supply the name of the Future Assessment Centre or Centre Number.

All centres must provide

1. The application form with all relevant sections completed
2. A cheque or purchase order for the replacement certificate fee (outlined in the current Price List. The administration fee covers the production of a certificate or a letter of confirmation.

Together with either:

3. The damaged, misspelt or defaced certificate

Or

4. A completed declaration setting out the circumstances in which the certificate was lost or destroyed and undertaking that, should a replacement be issued, it will be returned to Future if the original is subsequently found.

We will be unable to process your application if this information is not provided
